

19-21 Irelands Street Blacktown NSW

Bathed in natural light, these semi-detached street facing townhouses and freestanding villas are set amongst landscaped garden settings in a boutique complex of just 8 dwellings.

Inviting in its nature, the spacious living rooms are further complemented by a striking stone kitchen and laundry.

The main bedrooms offer generous proportions, ensuite bathroom & built-in robes, while the second & third bedrooms also feature built in robes and surround a central main bathroom.

Befitting such properties is a list of further features including:

- * Stainless steel kitchen appliances, gas cook top and dishwasher
- * Reverse cycle air conditioning
- * Gloss tiles to living areas
- * Window furnishings
